VILLAGE
MARKETS**

welcome

At Irish Village Markets, food is a way of life. With over ten years' experience, we now have an enviable reputation for offering the most exciting and diverse range of international cuisine and are considered the number one choice for pop-up catering events in Ireland.

We provide food and beverage services to some of the most prestigious and profiled companies and events in the country. We deliver tailor-made food service solutions, including business and corporate dining, private catering, pop-up markets and top quality street food for the ever expanding festival and concert circuit.

We create an ambient dining experience for all of our customers. This can be as simple as the provision of food stalls or the operation and full management of an event.

food service

With every company, large and small turning their focus towards alternative quality food, we are the perfect partner for your next event. We are Ireland's premier caterer and have operated events of all sizes for many international companies including Fáilte Ireland, Airbnb, PayPal, Google, Facebook, TedX, and many other cutting-edge businesses.

Let us inspire your staff and colleagues and bring higher value to your events.

We offer a flexible approach to all events and work closely with you to ensure we deliver the best catering concept, taking into account the profile of your guests and the overall theme of your event.
